Senator From Washington Urges President's Plan For Four Battleships

PRESENTATION OF PETITION.

Chas. M. Cooke President The One Honolulu Signed To Be Presented To Metcalf At Breakfast.

> WASHINGTON, April 24.-Arguments in favor of the president's program for four battleships consumed most of the session of the senate today. Beveridge concluded the debate for gaged in exchanges of words with othr senators, but he insisted that peace and not war would be promoted by uilding up the navy.

During the latter part of the session elegrams were delivered to all senaors from a magazine appealing to them for four battleships. "If the four battleships appropria-

SAN FRANCISCO, April 24.-Govwill meet with Secretary of the Navy the Jury today. Victor H. Metcalf at a breakfast in his honor at the St. Francis the morning of Wednesday, May 6, just before the HONGKONG AND YOKOHAMA-The arrival of the fleet, when they will attempt to impress upon him the enduring necessity for keeping a powerful squadron in Pacific waters.

At th same time there will be preented to the secretary a huge petition, igned by representatives of at least 500 commercial and civic organizations on the coast, declaring plainly for the retention here of the fleet.

Details of the breakfast, which will be an informal business affair, were given out yesterday by the California Promotion committee, under whose auspices it will be held. In addition to the secretary and the governors, members of the reception and executive committees of the promotion commitee will attend.

That the breakfast will be held is certain, for Metcalf wired yesterday his acceptance to the invitation sent him the day before by Chairman Rufus Jennings.
